**Airport Police**

# Escort Registration

The Omaha Airport Authority requires all persons who will be under escort by a local Eppley Airfield tenant, in the Secured area or Sterile area for more than one work shift (12 hours) to register with the Airport Police Department.

By signing below, I acknowledge and agree to abide by all Omaha Airport Authority Rules and Regulations as they pertain to escorting. I understand that escorts are to be continuous and I shall be removed from the SIDA or Sterile Area once the need for the escort ends. I will contact the Airport Police at 402-661-8100 immediately, for any failure by the responsible escorting person to maintain a proper escort.
